COSMIC COMMUNICATIONS CONSULTING LLC

Capability Statement for TEM Partners & White-Label Providers

Telecom Expertise. Measurable Savings. A Personalized Approach.

A Trusted Extension of Your TEM Team.

Cosmic Communications Consulting LLC delivers experienced, reliable telecom consulting support to TEM providers and managed service partners, helping you scale, execute, and serve your clients more efficiently.

11+ Years of Telecom & TEM Experience

PARTNER SUPPONT CAPABILITIES

Telecom Expense Auditing
Augment your team with audit analysis, issue resolution, and cost recovery.

Inventory Management
Inventory cleanup, validation, and ongoing optimization support.

Contract Auditing
Contract review, compliance checks, and cost optimization recommendations.

Vendor Management
Client and carrier issue resolution, performance tracking, and escalation support.

Sourcing & Negotiation
RFP support, carrier negotiations, and implementation coordination.

WHY PARTNER WITH COSMIC?

- **Experienced Resource** – 11+ years in telecom and TEM environments.
- **Scalable Support** – Project-based, ongoing, or overflow capacity.
- **Seamless Integration** – White-label execution that aligns with your processes and client experience.
- **Delivery Focused** – Reliable, high-quality results that help you drive client value and retention.

IDEAL FOR TEM PROVIDERS WHO NEED:

- Additional consulting capacity
- Specialized telecom expertise
- Implementation and migration support
- Backlog and project acceleration
- A trusted, white-label partner
